

November News

Room 216

Parent & Teacher Conferences

November 25th and 26th

Reminders will go home soon.

If you need to make a change,
please contact the office.

We hope to see you
Monday, November 4th
from 8:05 to 8:20 am
to celebrate our personal
narrative stories.

We shared with other
second graders on
Thursday, and it was a great
success!

Art Infusion

Our next Art Infusion day is
Friday, November 8th

Students will be
working with clay.

Reflex Math

Please remember Reflex Math
is a great way to build fluency
with addition and subtraction
facts. We have a limited
amount of time to access it a
school. It is a great tool for
home practice.

Curriculum

Social Studies: Our class has been creating a neighborhood mural to tell the story of a welcoming and inclusive community. Students are creating characters for themselves. Together we will tackle and problem solve issues that communities face.

Writing: We will be starting our next unit on informational writing. With this new genre, we will again focus on ideas, organization, elaboration and conventions of writing.

Math: Students are continuing the focus on strategies and fluency with addition and subtraction within 20.

Reading: Unit 2 focuses on nonfiction text. Students will be asked to identify the main idea of text and smaller subsections. They will identify, name and give the purpose of nonfiction text features.
